

## Anti-Slavery and Human Trafficking Policy

Modern slavery is a crime and a violation of fundamental human rights. It can take various forms, such as slavery, servitude, forced or compulsory labor and human trafficking, all of which have in common the deprivation of an individual's liberty by another in order to exploit them for personal or commercial gain.

We at Forta Prefab Ltd. have a zero-tolerance approach to Modern Slavery and we are fully committed to:

- Ensuring there is transparency in our own business and in our approach to tackling modern slavery throughout our supply chains, consistent with our disclosure obligations under the Modern Slavery Act 2015.
- Acting ethically and with integrity in all our business dealings and relationships;
- Implementing and enforcing effective systems and controls to ensure modern slavery is not taking place anywhere in our own business or in any of our supply chains.

This policy applies to all individuals working for Forta Prefab Ltd. or on its behalf in any capacity, including but not limited to, employees at all levels, directors, officers, contractors, business partners, consultants and third-party representatives.

We expect the same high standards from all our suppliers. As part of our contracting process, we include specific prohibitions against modern slavery, and we expect that our Suppliers will hold their own suppliers to the same high standards.
