

# FORTA PRO

WE BUILD MODULAR

## MIPIM

2-5 JUNE 2020  
CANNES, FRANCE

Forta PRO is attending MIPIM - the premier real estate event, gathering the most influential players from all sectors of the international property industry.

Please [contact Aviv Brosilovski](#) to meet in Cannes and discuss your next Modular Project!

Forta PRO manufactures high standard modular units suitable for the construction of hotels, residential buildings, student accommodation, "built to rent" apartments, hospitals, clinics, bathroom Pods and many other applications.

We can plan, design and build from scratch or expand existing facilities and can support you with 120,000 sqm per year of module manufacturing in our factories, quick and efficient.

Strict quality control implemented in our modern factory and supported by Forta PRO multi-disciplinary professional team provides a guaranteed comprehensive quality solution.
